

Tuesday, August 2, 2016 - Does God Exist?

This year is the 40th anniversary of the Warren/Flew debate on the existence of God. Dr. Thomas Warren masterfully proclaimed the existence of God against one of the world's top atheists at that time. Dr. Warren was so thorough and sound in his argument, that Mr. Flew knew he was defeated within the first ten minutes of Dr. Warren's presentation.

Warning, this is an eight-hour debate but well worth the time spent watching.
