# Reasons we are losing our children...

## 1. Lack of Bible Knowledge

“My people are destroyed for lack of knowledge.” Hosea 4:6

In many cases we don't know basic biblical principles and our spiritual foundation is weak—subject to skepticism and doubt.

# 1 Peter 3:15

“But sanctify the Lord God in your hearts; and be ready always to give an answer to every man that asks you a reason of the hope that is in you with meekness and fear.”

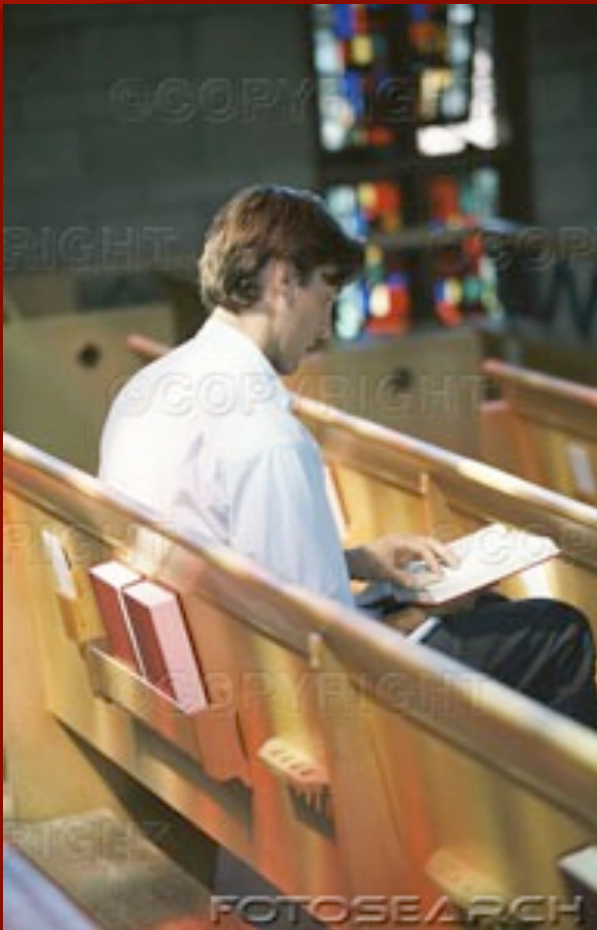

Can your children defend their own faith...  
or are they living an “inherited” faith?

Tuesday, January 12, 2010

Is the only “effort” you extend getting in and out of a pew?

**APATHY**

**“Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth.”**

**2 Timothy 2:15**

Seeds of doubt have been planted, and these seeds are being fertilized by humanism and atheism.

**A lack of biblical knowledge allows these seeds to germinate and grow.**

# Mammals: Evolution's latest success!

elephant is the largest living land animal.

The ancestors of walruses were land mammals, but walruses are creatures of the sea.

The zebra, like all other horses, has but a single toe on each foot.

Killer whales are at the top of the ocean food chain... the lions of the sea.

Tuesday, January 12, 2010

## Human Origins

Human evolution was not a straight path, with one species simply evolving into another. Some species gave rise to multiple species, while others were so-called evolutionary "dead ends." Human history is represented by at least five different genera (groups) of **hominids** - primates that walk upright on a regular basis.

We can look at the model above and the skulls of a few key hominid species to see the evolution of the traits that separate humans from non-human primates. Humans (1) always move around by **walking upright**, (2) depend on **culture** (including tools) for their everyday survival, and (3) have **larger brains** than non-human primates (in relation to body size). These traits did not appear all at once, but evolved over millions of years.

### *Australopithecus afarensis* (see model above)

- Earliest and most ancestral hominid species (about 3.5 to 1 million years ago)
- Small brain case (400 cc)
- Long arms and legs and powerful shoulders for reaching through trees
- No. leg and foot made for **walking**
- No evidence for stone tool making

### *Homo habilis*

- Earliest known member of our own genus, *Homo*
- Lived in eastern (and maybe southern) Africa from about 1 1/2 to more than 2 million years ago
- No more meat and had smaller teeth than *A. afarensis*
- Evidence of **culture** (stone tools)

### *Homo erectus*

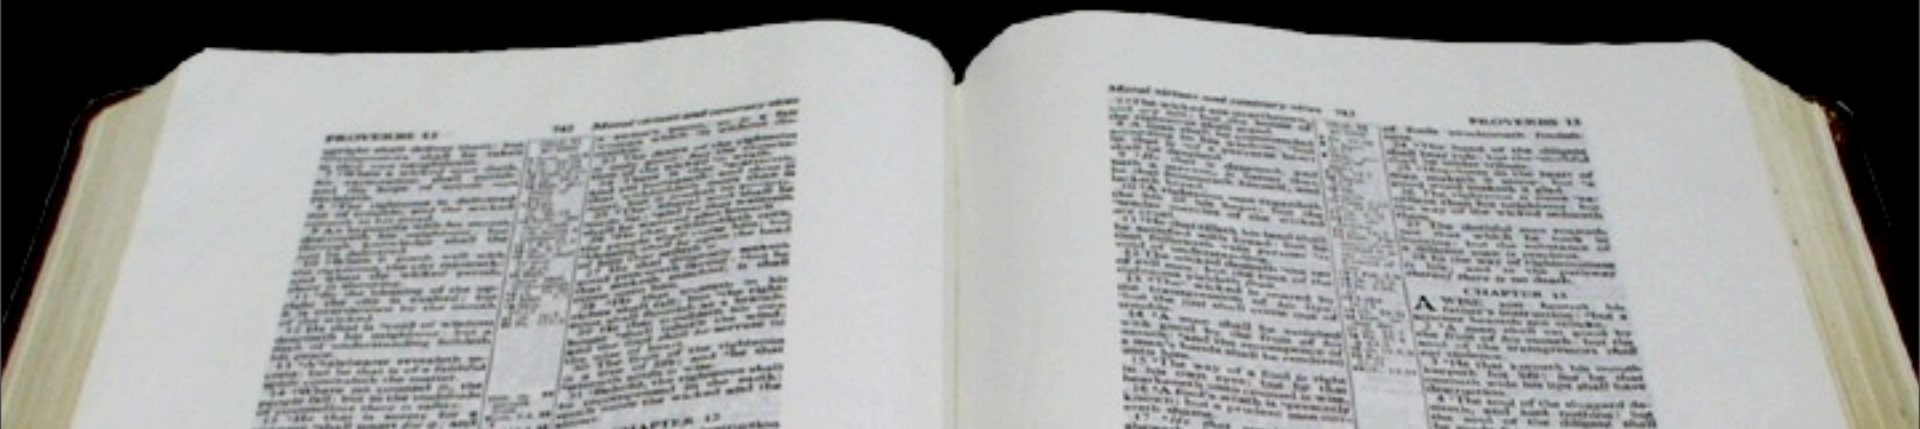

- First hominid to leave Africa (settling in Europe and Asia) and to live in a wide range of habitats (including temperate regions with colder seasons)
- Lived from about 300,000 to a little over 1 1/2 million years ago
- **Brain twice the size** of *A. afarensis*
- Made a wider variety of tools than *H. habilis*
- Had controlled use of fire

### *Homo sapiens*

- Only surviving hominid species (our own)
- Began evolving from earlier hominid species over 200,000 years ago
- Brain is 3 to 4 times larger than that of *A. afarensis*
- Growing dependence on culture for survival - made more complex for better shelters, and made more efficient clothes than earlier hominids
- Artistic expression (cave paintings, sculpture)

“Therefore take up the whole armor of God, that you may be able to withstand in the evil day, and having done all, to stand. Stand therefore, having girded your waist with truth, having put on the breastplate of righteousness, and having shod your feet with the preparation of the gospel of peace; above all, taking the shield of faith with which you will be able to quench all the fiery darts of the wicked one. And take the helmet of salvation, and the sword of the Spirit, which is the word of God.” (Ephesians 6:13-17)

In many cases we are sending our most precious gifts—our children, out into the world without any armor! Some Christian homes have not even acknowledged that there is a fight going on.

# The Greatest Command...

“You shall love the Lord your God with all your heart, with all your soul, and with all your mind. This is the first and great commandment.”

Matthew 22:37-38

Tuesday, January 12, 2010

I think most would argue they love  
God with our heart and soul...

Tuesday, January 12, 2010

I think most would argue they love  
God with our heart and soul...

But what about your mind?

Tuesday, January 12, 2010

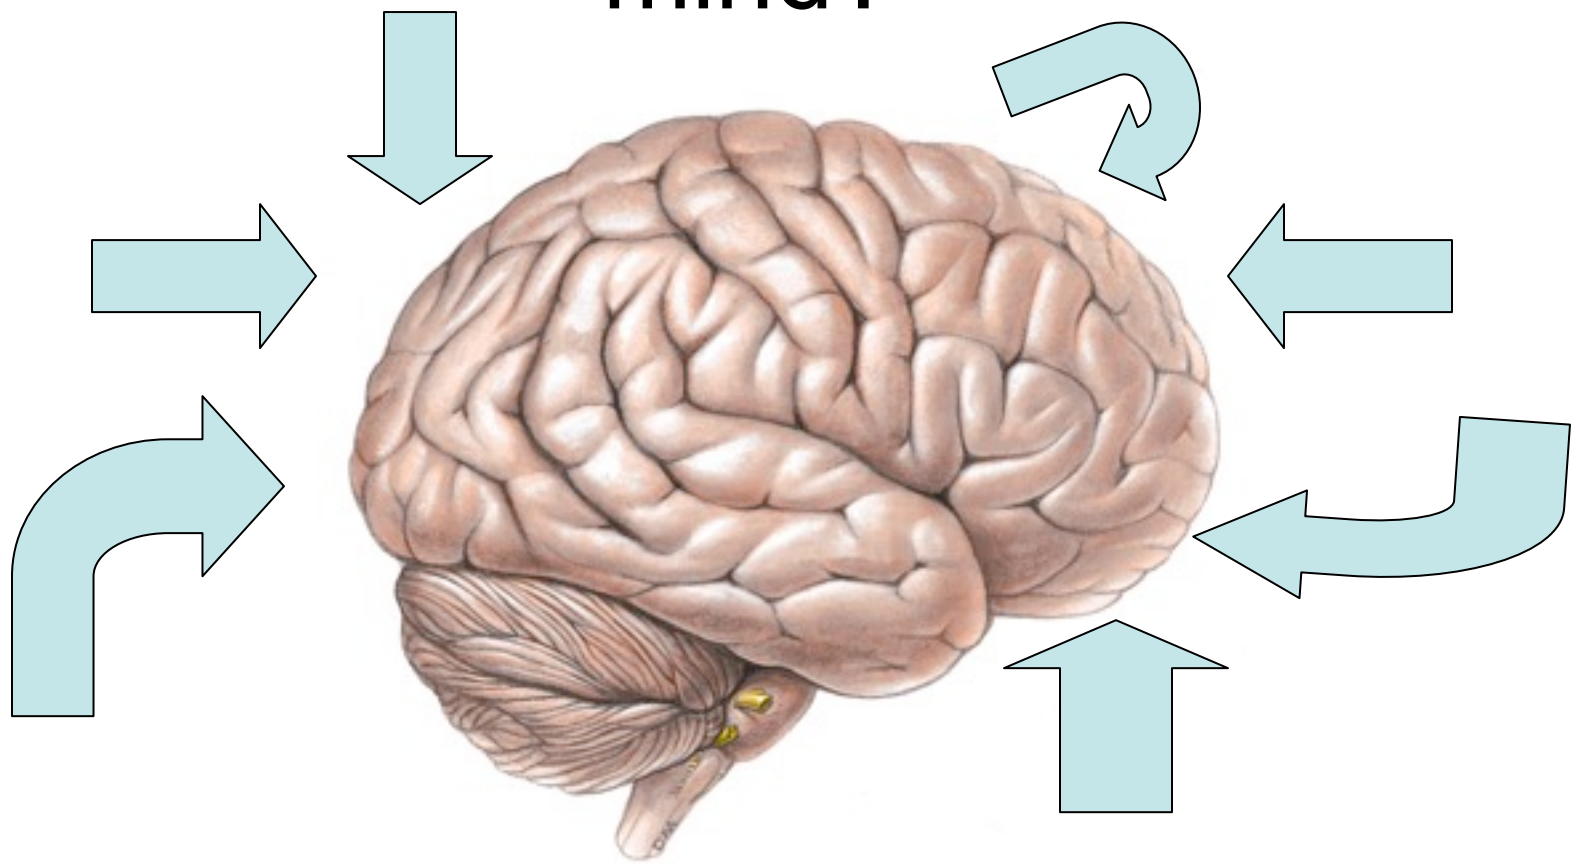

I think most would argue they love  
God with our heart and soul...

But what about your mind?

Tuesday, January 12, 2010

What are **you** putting into your mind?

What are you allowing into the minds of your children?

# Evolution and Natural Selection

## Review

- evolution (Section 1.3)
- sickle cell anemia (Section 6.3)
- DNA structure (Section 7.1)
- the term *allele* (Glossary)

## 9.1 Charles Darwin

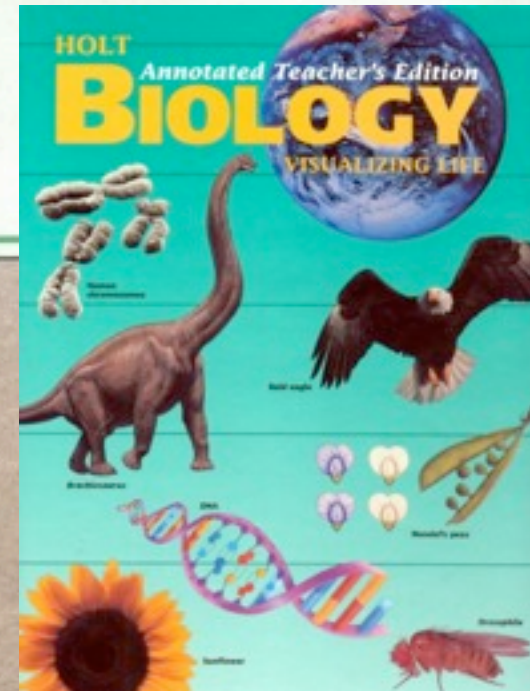

- Voyage of the *Beagle*
- Darwin's Finches
- Darwin's Mechanism for Evolution

## 9.2 The Evidence for Evolution

- Understanding the Fossil Record
- How Fossils Are Dated
- Comparing Organisms

## 9.3 Natural Selection

- How Natural Selection Causes Evolution
- The Peppered Moth:

Holt Biology  
1994 p. 176

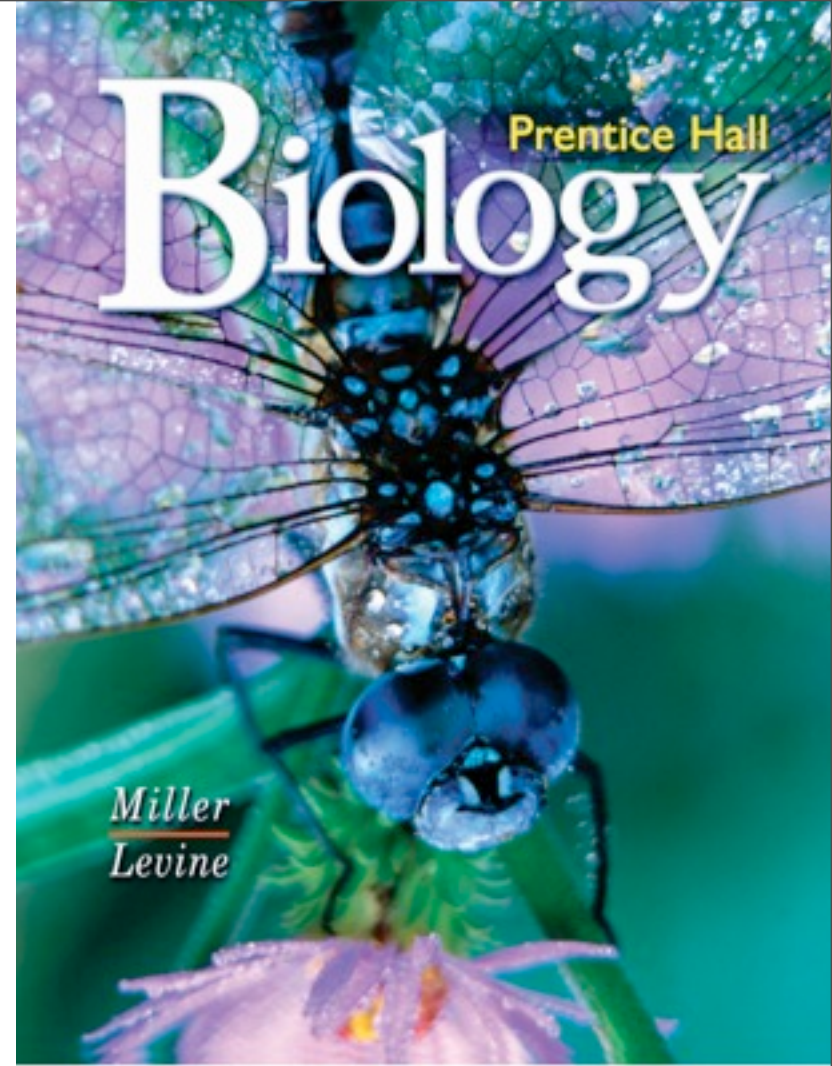

**“You are an animal and share a common heritage with earthworms.”**

**Biology: Visualizing Life, Holt, 1994**

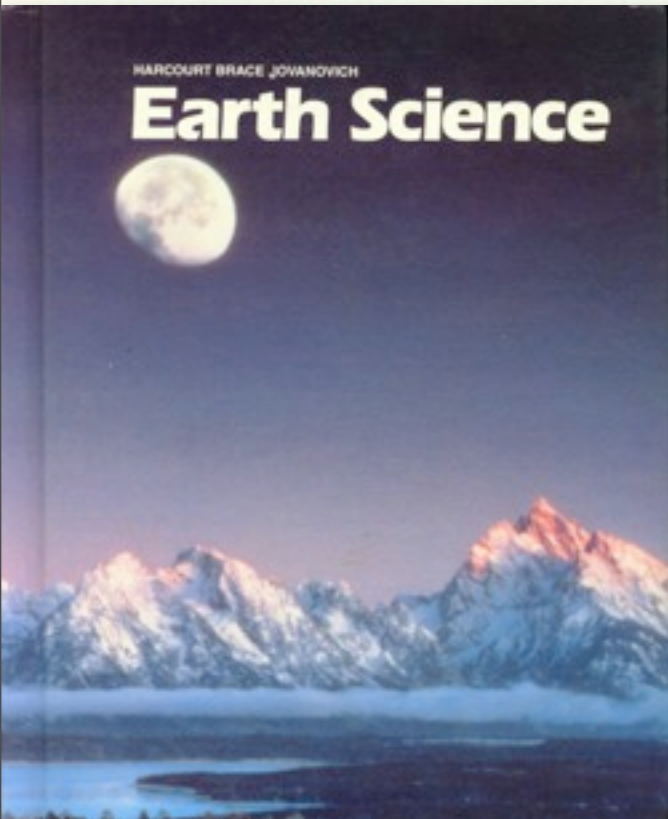

**“We know, for example, that humans evolved from common ancestors we share with other living primates such as chimpanzees and apes” (p. 757).**

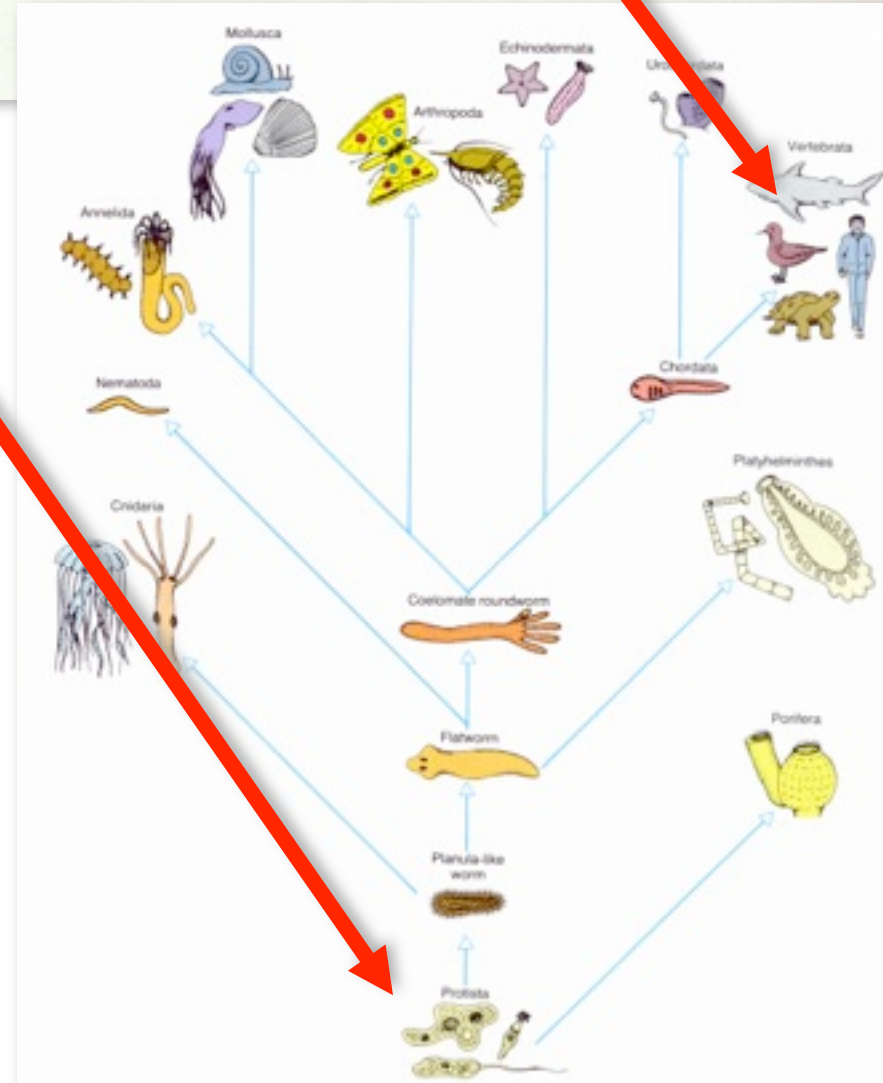

**“Like all other forms of life, humans are products of evolution by natural selection” (p. 352).**

Humans are an important part of the earth environment. Together with every other living organism, humans probably evolved from bacteria that lived more than 4 billion years ago. What kinds of organisms do you think will evolve over the next 4 billion years?

**HBJ Earth  
Science, 1989 p.  
356**

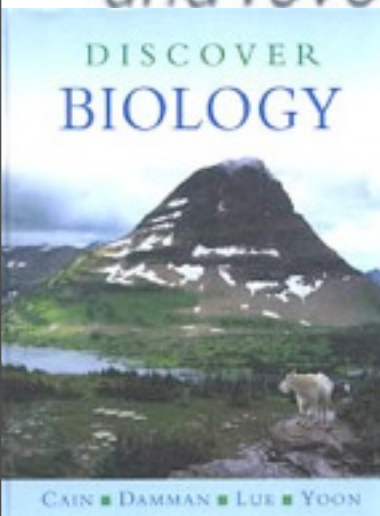

# Evolution Is a Fact

[E]volution is fact, not theory. . . . Birds arose from nonbirds and humans from nonhumans. No person who pretends to any understanding of the natural world can deny these facts any more than she or he can deny that the earth is round, rotates on its axis, and revolves around the sun.

— Richard C. Lewontin, 1981

© 2000 Textbook

at the galaxy is moving toward the earth.  
The galaxies race back toward the center of  
the universe, the matter and energy in the universe  
come closer and closer to a central area.  
In many billions of years, all of the matter and  
energy will once again be packed into a small area.  
This area may be no bigger than the period at the  
end of this sentence. Then another big bang will  
occur. The formation of a universe will begin all  
over again. A universe that periodically expands and  
then contracts back on itself is called a closed uni-  
verse. In a closed universe, a big bang may occur  
once every 80 to 100 billion years.

**Prentice Hall *Earth Science*, 1991 pp. 36-37**

# Chapter Overview

Earth has changed much since its formation 4.5 billion years ago. Some life on Earth has adapted to these changes. Other life, such as the dinosaurs, was not able to adapt and survive changes in environment.

Many different dinosaurs are and illustrated in this chapter. Students be able to compare and contrast shape, diet, habitat, and mode of of many of these reptiles that roamed Earth millions of years ago.

**First Grade Merrill Science, page 46,**

# Reasons we are losing our children...

1. Lack of Bible Knowledge
2. Lack of Preparation for Combat
3. Lack of Protection of our children's hearts and minds
4. Lack of Proper Training in the Lord

Many Christians believe (and live a life that demonstrates) that spiritual training need **only** take place within the confines of a church building.

Tuesday, January 12, 2010

# Ask yourself soberly...

Do you define the word  
“Christian” as a noun or a  
verb?

Is it a label you wear, or a life  
you live?

“You shall love the Lord your God with all your heart, with all your soul, and with all your strength. “And these words which I command you today shall be in your heart. You shall teach them diligently to your children, and shall talk of them when you sit in your house, when you walk by the way, when you lie down, and when you rise up. You shall bind them as a sign on your hand, and they shall be as frontlets between your eyes. You shall write them on the doorposts of your house and on your gates.”

## Deuteronomy 6:5-9

**Want faithful  
children?**

Tuesday, January 12, 2010

# Want faithful children?

The Bible says there are only four times when you should teach your children about God:

1. When you lay down.
2. When you wake up.

# Want faithful children?

The Bible says there are only four times when you should teach your children about God:

1. When you lay down.
2. When you wake up.
3. When you are sitting.
4. When you are walking.

**Somewhere along the way  
we have forgotten that our  
sole job with our children  
is to return them unto God  
Who gave them. Simply  
put, our sole job is a soul  
job!**

Tuesday, January 12, 2010

“Train up a child in the way he should go,  
And when he is old he will not depart from it.”  
Proverbs 22:6

Tuesday, January 12, 2010

“Train up a child in the way he should go,  
And when he is old he will not depart from it.”  
Proverbs 22:6

*Chanak* your children.

Tuesday, January 12, 2010

Is Bible class (or at private schools) the only source of biblical instruction your children or grandchildren receive?

We are extremely thankful for Bible class teachers...but the responsibility of training your children does not rest on their shoulders.

# Bible Class should be gravy!

Ask yourself soberly this morning—are you having regular Bible devotionals at home?

Tuesday, January 12, 2010
